Ken. Do you have what you need based on previous correspondence or is anything further needed?

Thanks  
Paul

Good morning Paul. I just got feedback from Jason Miner and Dustin Buehler that they are comfortable with the Governor delegating authority to Richard to provide state concurrence for Bradford Island.

The delegation of authority may be via phone call from the Gov to Richard, or a short email. I'll push to get that done today.

Thanks,

Hi Paul. I will connect with the Governor's Chief of Staff today to see if we can get the Governor to send an email to Richard Whitman that provides the delegated authority. I'll keep you posted.

Thanks,

Jim McKenna

Hi Paul - hope you're doing well! Just checking in on any correspondence with the governor's office on the Bradford NPL listing. DEQ has the delegation to concur and we have that in the October letter, just an email from you confirming that the Governor's office is in the loop to some extent would be great. Thanks for your help! Ken

Thanks Bob, Paul - is there any correspondence with the governor's office about this - we need to show that the governor is in the loop even if DEQ has delegation. I'm thinking even an email from Paul describing how DEQ has coordinated with the Gs office would suffice. Thanks!

Hi Paul,  
Who would know if the Governor has delegated authority to the DEQ Director for concurrence with an NPL listing?  
Bob

Hi Rebecca, Bob,

Just a quick update on the Bradford Island NPL listing. The listing rule is scheduled now to go out in early September. The Administrator is being briefed on June 2, which will hopefully give the green light to proceed with Bradford Island. If that's the case, we need to confirm state (Washington and Oregon) concurrence with the listing. Currently we have the letter from both directors of both Ecology and DEQ requesting that the site be placed on the NPL (Oct 2019), but I need to confirm that the governors have delegated authority for concurrence to the agencies. Can you find out for me if this delegation exists and is in force? If it is, then we can use the existing letter as long as we have confirmation that the governors' offices have been informed.

Thanks in advance for your help! Ken
